

EST. 1965

## FREQUENTLY ASKED QUESTIONS

### IS THERE A STANDARD PROJECTION?

Our standard bracket and French Rod projection is 3 1/2".  
All other projections, specify.

### WHAT FINISHES DO YOU OFFER?

Steel is available in powder coated or hand painted. Brass and stainless are available satin or polished.

### DO YOU OFFER CUSTOM DESIGNS?

Yes, custom is our standard.

Different projection?  
Custom bracket?  
New design?

Send us a sketch and we'll help you with the solution.  
Custom work is always welcome, as our welders, machinist, blacksmith, and polishers take pride in making what you want. Angle bays require degree of angles. Curved rods require template.

### HOW DO I PLACE AN ORDER?

Please email orders to [info@lundysiron.com](mailto:info@lundysiron.com). We will send a pending proposal for review. When ready to place order, simply sign, date and email back with approval.

### WHEN WILL MY ORDER SHIP?

Most orders will ship 4-6 weeks.

If you haven't received your tracking information within 4 weeks, check status by emailing:

[orders@lundysiron.com](mailto:orders@lundysiron.com)

The shipping coordinator will reach out with your order status.

### CAN I GET MY ORDER FASTER?

Yes, we offer a Quick ship program. Most orders can ship within 6 or 10 working days. A surcharge is added to total. Call for details.
